

Dear Members of the Society,

Greetings from Nutrition Society of India (NSI)!

It gives us great pleasure to inform you that NSI will be celebrating 50 years of successful existence soon. During these years, NIN has been guided by a set of Bye-laws, which made the functioning quite smooth. On some occasions certain bye-laws have been amended following the society norms. As we are approaching the Golden Jubilee year and in view of the changing guidelines of Government of India, it was felt necessary to revisit the bye-laws and update them if needed. This need was echoed even during the 47th Annual General Body (GB) meeting of the society in Hyderabad last year. At that time it was decided that a committee be appointed under the Chairmanship of Dr. Prema Ramachandran, Director, Nutrition Foundation of India, New Delhi with the President and the Secretary as its members.

In this connection, we request life members of the society to go through the Constitution & Bye-laws of the society and propose for amendments 'if any' in the following format by 3rd September 2016. These may be forwarded to the E-mail nsihyderabad@yahoo.com

S. No.	Constitution, Bye-law no. page no.	Existing bye-law	Proposed amendment in the bye-law

Name of the member:
Mobile No.:
Signature / Date:

All the proposed amendments suggested by the members will then be submitted to the committee which would consider them in preparing the draft of amendments. These would then be put forth before the EC and GB for seeking approval. All proposed amendments will be displayed on Website by 5th October 2016.

Your kind cooperation is requested.

With regards,
Dr.B.Dinesh Kumar
Secretary
